## Designer Shingle

The Regency shingle will give your roof the natural appearance of a rough-sawn, random-cut classic "shake" roof. Regency laminated designer shingles boast a double layer construction for deeper shadow lines, and their random cut profiles enhance the texture and appearance to the level of natural wood shakes. This premium fiberglass based asphalt shingle has a Class 'A' fire resistance rating when installed with asphalt felt underlayment.

- Premium fiberglass asphalt shingle
- Double layer of extra-heavy fiberglass mat
- Modified sealant for superior wind resistance
- Class "A" fire resistance rating
- Limited wind warranty coverage up to 90 mph (145 km/h)
- Limited 50 Year Warranty
- 5 year IKO "Iron Clad" protection

#### Length

39 3/8" (1000 mm)

#### Width

13 1/4" (336 mm)

#### Exposure

3 3/4" (95 mm)

#### Coverage per Bundle

20 sq. ft. (1.86 m<sup>2</sup>)

### STANDARDS\*

CSA A123.5

CSA A123.51

ASTM D3462

ASTM D3018

ASTM D3161

ASTM E108

\*Designed and tested to comply at time of manufacture prior to packaging.

Note: 1) All IKO fiberglass shingles require an asphalt felt underlayment when applied on slopes less than 8/12. 2) Class "A" fire resistance rating is achieved only with the installation of felt underlayment. 3) Shingle swatches shown are as accurate as modern printing processes allow. Shingle chips shown do not fully represent the entire color blend range of the shingles. To ensure complete satisfaction please make your final color selection from several full size shingles and view a sample of the product installed on a home. 4) The information in this literature is subject to change without notice. IKO assumes no responsibility for errors that may appear in this literature.
